In the best interest of its members, guests and the community promotes

THE RESPONSIBLE SERVICE OF ALCOHOL

Responsible serving of alcohol is vital for legal, health and community reasons. Our society is now less tolerant of the irresponsible use of alcohol that leads to drunkenness, drink driving and under age drinking. We are now far more aware of the serious social problems that are associated with such behaviour.

Easts Group has adopted the following **House Policy** which provides a framework for the **Responsible Service of Alcohol**:

1. In order to prevent under age access and drinking we will require **Proof of Age** to be provided when requested.
2. Persons who are intoxicated will be **Refused Admission** to our premises.
3. We will display and refer to **Intoxication Signs** in order to support our responsible attitude and meet the requirements of legislation.
4. Any patron in an Easts Group Club will be **Denied Service** if they are considered to be intoxicated.
5. We will **Educate** our staff and our patrons as part of our **Duty of Care** to ensure that they understand the implications and abide by our responsible service of alcohol policy.
6. We will support and actively promote initiatives to **Minimise Drink Driving** in order to safeguard the wellbeing of our patrons.

Easts Group will affect these strategies by:

- Implementing, monitoring and modification on an on-going basis of the **House Policy**
- Preventing under age drinking by insisting of 'proof of age' by requesting a driver's licence, passport or 'proof of age card' issued by the NSW Roads and Traffic Authority
- Prevention of intoxication by recognising the signs of intoxication and refusing service to anyone to the point of intoxication. We will deny entry or service to anyone who is already intoxicated.
- Promote the service of non-alcoholic beverages, low alcohol beers and food.
